

# **SDG&E 2018 Spring GTSR RFO**

Questions & Answers / FAQs

## **I. General Questions**

### **1. Can one 50 MW solar project bid into both programs simultaneously?**

The maximum project capacity for this solicitation is 20 MWs; the full output from the facility must be sold to SDG&E. That is, in this solicitation, SDG&E will not consider purchasing a portion of a project larger than 20 MW.
