SAN DIEGO GAS AND ELECTRIC COMPANY
SUPPLEMENTAL FILING RULEMAKING 12-06-013 PHASE 2**

Scenarios A - no revenue change	
A.1	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective January 1, 2014 rates (AL 2564-E); and (2) Proposed Rates: SDG&E's proposed rates with no revenue requirement change.
A.2	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective February 1, 2014 rates (AL 2568-E); and (2) Proposed Rates: SDG&E's proposed rates with no revenue requirement change.
Scenarios B and C- full revenue change	
B	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective November 1, 2013 rates (AL 2513-E); and (2) Proposed Rates: SDG&E's proposed rates with full revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
C.1	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective January 1, 2014 rates (AL 2564-E); and (2) Proposed Rates: SDG&E's proposed rates with full revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
C.2	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective February 1, 2014 rates (AL 2568-E); and (2) Proposed Rates: SDG&E's proposed rates with full revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
C.3	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Potential Rates: SDG&E's potential rates with full revenue requirement change, includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002), and without rate design; and (2) Proposed Rates: SDG&E's proposed rates with full revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
Scenarios D and E - 50% revenue requirement	
D	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective November 1, 2013 rates (AL 2513-E); and (2) Proposed Rates: SDG&E's proposed rates with 50% revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
E.1	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective January 1, 2014 rates (AL 2564-E); and (2) Proposed Rates: SDG&E's proposed rates with 50% revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
E.2	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Present Rates: SDG&E's effective February 1, 2014 rates (AL 2568-E); and (2) Proposed Rates: SDG&E's proposed rates with 50% revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
E.3	<u>RROIR Illustrative Bill Impact - Bill impacts compare the following:</u> (1) Potential Rates: SDG&E's potential rates with 50% revenue requirement change, includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002), and without rate design; and (2) Proposed Rates: SDG&E's proposed rates with 50% revenue requirement change, and includes the change in revenue allocations and change in allocation of CARE cost to non-residential associated with implementation of SDG&E's 2012 GRC P2 (D.14-01-002).
F	<u>RROIR Illustrative Rate Impact:</u> Contains SDG&E's illustrative rates associated with all the bill impact scenarios for Attachments A.1 through E.3.
