DR	Standard residential rate applicable to domestic service for lighting, heating, cooking, water heating, and power, or combination thereof, in single family dwellings, flats, and apartments, separately metered by the utility. This is the standard rate schedule for Residential customers and has a 4-tiered rate structure.	X	X	X	X	X	X		X	X	X	X		<ul style="list-style-type: none"> - CARE is applicable as both a rate (DRLI) and a rider (ELI). DR customers with group living facilities or agricultural housing qualify for DR with Expanded CARE (ELI). - Medical baseline credits of an additional 16.5 kWhrs/day are issued by type of equipment: i.e. if a customer has both environmental requirements and a sleep apnea mask, they get two credits or an additional 33 kWhrs/day. - DA is currently closed to new customers, but grandfathering existing customers. Customers can remain on DA and opt for a different rate, for this reason we show eligibility for some rates without current active accounts. Continuous customers are exempt from the DWR Bond Charge and PCIA, Non-Continuous customers pay DWR Bond Charge and Old World Generation PCIA. - EECC-TBS - Customers eligible for DA are also eligible for EECC-TBS. - Customers can opt-in to qualify for PTR Credits.
