

CHAPTER 6 – LIST OF PREPARERS

The Proponent’s Environmental Assessment (PEA) was prepared by Insignia Environmental (Insignia) on behalf of San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas). The PEA was researched, written, and prepared by a multidisciplinary team comprised of environmental professionals, engineers, and construction specialists. The following subsections include a list of the PEA’s preparers, technical reviewers, and contributors, grouped by their organization.
