Attestations

By signing below, you acknowledge the following:

- The availability of MAP incentives influenced my decision to proceed with this energy efficiency project. I will not purchase equipment prior to receiving project application approval.
- I understand that my electric consumption and usage data will be used for the purpose of energy efficiency project tracking and energy savings calculations.
- If you do not own the project site (i.e., if you rent or lease it), you have obtained written authorization from the property owner or property management company, with their contact information, to implement the energy efficient upgrades, and you agree to provide such written authorization upon request.
- I agree to provide all required documentation to SDG&E or the CPUC, or their respective designees, and reasonable access to the project site for all project related audits, inspections or data gathering.
