2. In response to data request ORA-SDG&E-DR-041-KMC Q.2, SDG&E stated “The purchase price includes three (3) sets of AGP hardware in the amount of \$30 million. The purchase price also includes the return of two (2) sets of GE .03 HGP hardware to be replaced during the AGP installation in each covered unit and the return of one (1) set of GE .03 HGP hardware stored at Palomar Energy Center. GE will provide installation services for the first two (2) sets of AGP parts at no additional cost to SDG&E.”
- a. Would the cost of the Advanced Gas Path Upgrade have been covered under the Palomar LTSA?
 - b. Was the cost of the GE .03 HGP hardware covered under the Palomar LTSA?
 - c. Why is GE installing the first two sets of AGP parts at no cost to SDG&E?
 - d. What will happen to the equipment purchased for the Advanced Gas Path Upgrade at Palomar, if SDG&E does not obtain the appropriate permits and approvals for the AGP Upgrade?
