Large Commercial and Industrial (Continued)

20. Except as otherwise provided for herein, the contract terms for service under Schedule A (Form No. 6597-1) shall be for a minimum of 30 days. After the initial 30-day term, the contract will continue on a month-to-month basis until terminated by either party upon 15-day written notice.
21. If the customer splits its gas requirements between service under this schedule and noncore service under Schedule Nos. GT-FD, and/or GT-ID, the customer shall be required to specify a fixed monthly quantity for service hereunder by month for the term of the customer's contract. The monthly contract quantity breakdown may be established on the basis of seasonal variations in the customer's usage in accordance with the customer's historic usage pattern. The Utility reserves the right to accept or reject such requested quantities after considering the customer's historic usage pattern and other evidence provided by the customer regarding operational changes affecting the customer's consumption. Notwithstanding that monthly quantities are fixed for the term of the contract, the customer may request increases to the monthly quantities subject to approval by the utility. In the event an increase is approved, the entire core quantity shall become subject to a new five (5) year term.
22. All terms and conditions of Rule No. 30 and Schedule No. G-IMB shall apply to the transportation of customer-owned gas under schedule GT-AC.
23. Customers having existing gas exchange arrangements with SoCalGas must exchange the maximum amount of gas allowable under those arrangements prior to the delivery of customer-owned natural gas to SoCalGas for transportation, unless otherwise agreed to by SoCalGas.
24. In the event customers make any material change, in either the amount or character of their gas appliances or equipment, written notice to SoCalGas must be made in accordance with Rule No. 29, Change of Customer's Apparatus or Equipment.
25. Customers receiving service under Schedule A (Form No. 6597-1) may elect to participate in the Core Aggregation Transportation Program and receive service under Schedule No. GT-10.
