**(7TH DATA REQUEST FROM TURN – SUPPLEMENTAL RESPONSES TO QUESTIONS 1-2)
March 30, 2015**

QUESTION 1:

TURN supplements its original Data Request to request that SoCalGas provide the relevant daily price index data for each of the receipt points shown in the spreadsheet response to DR 07-01, in the same format as the flow data. Please use the index that would be most relevant for pricing gas purchased at the receipt point.

Please provide all Core Gas Acquisition Department's DAILY cost of gas in total and by MMBtu, separately for gas delivered at Topock, Needles, Ehrenburg, Blythe and Otay Mesa from Jan. 1, 2004 through the latest available date in 2014 in machine readable form (Excel spreadsheet).

RESPONSE 1:

Please note that this response contains confidential information and is being provided pursuant to the Non-Disclosure Agreement executed on August 8, 2014.
