PUBLIC WORKSHOP AGENDA

Application (A.) 12-01-008 - Application of SDG&E for Authority to Implement Optional Pilot Program to Increase Customer Access to Solar Generated Electricity

SDG&E connected…..to the sun Workshop #4

February 11, 2013

10:00 AM – 4:00 PM, Sempra HQ Auditoriums 2 & 3,
101 Ash St, San Diego, CA 92101

This is a public meeting. Interested parties may attend in person or may participate via teleconference. For information regarding the workshop, please direct questions to Gabe Petlin (gp1@cpuc.ca.gov or 415-703-1677), and Aaron Franz at SDG&E (AFranz@semprautilities.com or 858-503-5200). Limited parking is available in the ACE lot adjacent to Sempra HQ. Please contact Aaron Franz to secure a parking permit.

Teleconference Information: Dial 1-800-508-7891. You will be prompted to enter the room number, *4937478* (be sure to press the star key before and after the number). We ask any participants who wish to use this teleconference service to please use the mute function on your phone. The meeting facilitator will check for questions from the teleconference participants during each discussion period.

Webinar Information: Participants can view and follow along with workshop presentations by (1) clicking the following web link: https://sempramtg.sempra.com; (2) enter one of two meeting IDs: 4283 is for the morning (pre-lunch) session and 6114 is for the afternoon (post-lunch) session; and (3) click ATTEND Meeting and then sign in as a guest. Questions can also be provided to the facilitator using the webinar chat function. Note: web participants will need to use the teleconference service to receive audio.
