

SDG&E's 2019-2024 HLP RA RFP

Questions & Answers (FAQs)

- 1) Can you identify the Local attribute referenced in Section 4.0 Product Description, A. Products Solicited?

Local attribute is defined by the CAISO as capacity from a resource located within a Local Capacity Area capable of contributing toward the amount of capacity required in a Local Capacity Area. The resource is in CAISO system area, therefore, not subject to local capacity.

- 2) Can you state whether the bid is binding through Sept 30th?

Yes, bids in the 2019-2024 HLP RA RFP are considered binding and must be effective through September 30, 2019.

- 3) The unit shows an EFC value on the EFC list. Could the unit also come with Flex Capacity Rights?

No. SDG&E's contract with the resource does not provide Flex Capacity.
