

Developers seeking to participate in EcoShareSM must complete the EcoShare Marketing Attestation confirming full awareness and understanding of the marketing compliance obligations outlined at <http://www.sdge.com/developer-marketing-requirements-and-review-process>. Marketing materials include, but are not limited to, websites, brochures, flyers, call center scripts, commercials, and any other material used to communicate a developer's participation in EcoShare.

Project Information

Developer Name:

Name of Proposed Facility:

Facility Address:

Attestation

I attest that I have read, understand, and will comply with the following for the duration of my participation in EcoShare:

- Green-e Energy Requirements for Renewable Energy Project Developers Participating in the California Enhanced Community Renewables Program.
- SDG&E[®] Logo Use Guidelines

Additionally, I attest that I will submit all marketing materials to SDG&E for review prior to their use or publication and will wait for written confirmation from SDG&E confirming that submitted marketing materials comply with program requirements before using said materials to market to customers.

Signature
