

**San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) Energy Savings Assistance Programs to Host Web-based Solicitations Workshop**

The SDG&E and SoCalGas Energy Savings Assistance (ESA) Programs will host a web-based workshop to provide prospective bidders with general solicitation information such as proposal requirements - technical & commercial, cybersecurity, contractor safety requirements, customer data, and privacy requirements, diverse business enterprises (DBEs), and other basic qualifications (e.g., what constitutes an acceptable bid, qualification process, etc.). The workshop will also include an overview of respective utilities' ESA solicitation plans. See attachments. The workshop may be recorded and posted on the following websites: [www.sdge.com](http://www.sdge.com), [www.socalgas.com](http://www.socalgas.com), the Proposal Evaluation & Proposal Management Application (PEPMA) at [www.pepma-a.com](http://www.pepma-a.com), and/or the California Energy Efficiency Coordinating Committee (CAEECC) at [www.caeecc.org](http://www.caeecc.org).

**Date:** November 16, 2021

**Time:** 9:00 a.m. to 12:00 p.m.
