## DRIVER ENROLLMENT INSTRUCTIONS

### SDG&E<sup>®</sup> POWER YOUR DRIVE<sup>SM</sup> ACCOUNT SETUP

#### Enroll

- 1 Enroll in Power Your Drive via SDG&E MyAccount or as a Guest if you do not have a current SDG&E Account. Visit [www.sdge.com/pyd-driver](http://www.sdge.com/pyd-driver) and follow the instructions.

#### Site ID

- 2 Contact your site administrator or Greenlots support to obtain your 8-digit Site ID #. This will begin with "MF" or "WP" followed by six numbers. The Site ID # is required to proceed with Step 2.

#### Finalize

- 3 Once enrolled with SDG&E, you will receive an email from Greenlots with instructions on how to finalize enrollment. You will need to access the links in this email to complete your enrollment. It is important that you use the same email that you use for your SDG&E account.

#### Charge

- 4 The site host contact/property manager will need to approve your request for enrollment. Once you are approved, you may start charging at that location!

### HOW TO USE THE CHARGERS

#### Sign In

- 1 Be sure to download the Greenlots Application and sign in to your Account (linked to your SDG&E Power Your Drive Account).

#### Find your station

- 2 Search for the Station by typing in the station ID on the charge station cover and select "Go".

#### Lift the connector

- 3 Push the button on the connector to lift it out of the holster.

#### Plug in

- 4 Plug the connector into your electric vehicle and make sure it is securely connected.

#### Start charging

- 5 Via the Greenlots Application push "Start Charge" and confirm your vehicle has begun to charge (there are often indicator lights on the dashboard to confirm your car is charging).

#### Unplug

- 6 When you get back to your vehicle simply unplug the connector and return it to the holster to end your session.

## HOW TO PAY

Your Power Your Drive charges will be billed by SDG&E separately from your home electricity bill.

Go Green! Be sure to sign up for paperless billing and auto-pay.

You can access an itemized statement of the charges on your Power Your Drive bill through [MyAccount](#). Charging and Payment history is also available on Greenlots Driver Portal at [charge.greenlots.com](http://charge.greenlots.com).

## RATES & COSTS

SDG&E provides an hourly price to EV drivers. Hourly prices are established the day before at about 7:00 pm.

You can check prices on the Greenlots mobile app or on the Greenlots Driver Portal to see electricity prices for the upcoming day.

To view current and historical prices at your site, visit [sdge.com/pyd-map](http://sdge.com/pyd-map) and click the icon for your specific site.
