QUESTION 01:

Please state **in dollar amount**, the following liability to SoCalGas’s and SDG&E’s shareholders related to pressure testing PSEP mileage (or the equivalent for replacement projects) at shareholder expense in terms of:

- a. The projected liability
 - 1. As of December 31, 2014,
 - 2. As of December 31, 2015,
 - 3. As of December 31, 2016,
 - 4. As of December 31, 2017, and
 - 5. As of December 31, 2018.
- b. The actual (or realized) liability as of December 31, 2018.

RESPONSE 01:

SoCalGas and SDG&E incorporate previously asserted objections as though set forth fully herein.

During a telephonic meet and confer held on February 12, 2019, the parties agreed that SoCalGas and SDG&E would provide page references in the workpapers that correspond to the disallowances for each individual project in response to this request. Based on this agreement of the parties, SoCalGas and SDG&E respond as follows.

The disallowance calculation for each project that is subject to a disallowance can be found at the following workpaper locations:

QUESTION 02:

Please provide written records, in the form of attachment to this data request, supporting the stated figures as references. Records **should** be forms filed to the Security and Exchange Commission (e.g. Forms 8-K, 10-K, 10-Q), Shareholders reports, or similar records. The Public Advocates Office is not considering testimony as a form of record for purposes of this specific data request.

RESPONSE 02:

During a telephonic meet and confer held on February 12, 2019, Cal Advocates indicated it was withdrawing this data request question.
