SDGE ORA 009

1. Does SDG&E currently intend for policies during the IDTM (both in general and with regard to any specific customer segments) regarding disconnections, reconnections, or deposits to differ from current/general policy? If so, please describe and indicate which items in particular would be modified from established tariff rules.

SDG&E Response to SDGE ORA 009:

1. No, outside anything already mentioned in A.17-12-013, as it pertains to disconnections, reconnections or deposits, SDG&E's current operational and TOU policies will remain the same as SDG&E's current operational and TOU policies.
