**NDC DATA REQUEST**

**Question 1**

Please provide an updated spreadsheet in response to NDC DR-01\_Q02 that contains identifying information for each census tract. In addition to identifying which census tracts are in the top 25% by statewide DAC definition and by SDGE service territory definition, the spreadsheet should include the following:

- a. Census Tract Number
- b. Zip code
- c. City
- d. CES 3.0 score
- e. CES percent

**SDG&E Response**

The updated spreadsheet uses zip code, city, and CES score/ranking information from the Cal Enviro Screen 3.0 [ces3results](#) spreadsheet.
