

**SDG&E Data Request Response to SEIA
2019 GRC Phase II A.19-03-002
To: Jeanne Armstrong
SEIA Data Request No: 001
DATE RECEIVED: 4-4-2019
DATE RESPONDED: 5-29-2019**

DATA REQUEST – Remaining Questions

3. Please provide:

- a. Data on the number of SDG&E customers with solar installations, and the aggregate nameplate capacity (MW-AC) rating of these solar installations, for each of SDG&E's standard and grandfathered rate schedules.

SDG&E Response: Please see the attached xls.

- b. The number and nameplate capacity (MW-AC) rating for the solar installations of the school customers that would be included in SDG&E's proposed new Schools' rate schedules.

SDG&E Response: Please see the attached xls.

The excel file contains protected materials subject to the non-disclosure agreement.
