SDG&E 2022 COST OF CAPITAL - A.21-08-013
DATE RECEIVED: NOVEMBER 2, 2021
DATE RESPONDED: NOVEMBER 12, 2021

Request a:

Provide all Data Requests made by parties in this proceeding and all Data Request responses provided in this proceeding. This request is intended to also cover future requests and responses between SDG&E and other parties.

SDG&E Response a:

SDG&E objects to the extent that the question states that it is ongoing or requires subsequent, supplemental information. SDG&E also maintains any objections provided in response to all data request responses provided in this proceeding. Notwithstanding and without waiving those objections, once SDG&E has provided the requesting party their responses, all data requests responses, including the posed questions, are available on SDG&E's website:

<https://www.sdge.com/rates-and-regulations/proceedings/SDGE-Cost-of-Capital-Test-Year-2022>

SDG&E is providing the data requests responses and their attachments that it has responded to thus far in this proceeding.
